

## Baby Piano Lite

### Description

Following the success of the Baby Flash Cards iPhone app, Dream Cortex is proud to present Baby Piano, another app for young children.

Baby Piano offers great fun that keeps your kids amused while learning to enjoy and explore music.

Suitable for children between 9-36 months but also great fun for everyone!

#### Features:

- Colorful 7-key piano with cute and animated animal characters.
- Switch to animal sound mode and to mimic the animal sounds!
- 2 modes of music playing: Freestyle or play along with a nursery rhyme.
- 3 children songs to learn and play with. More songs coming soon!
- Record your performance and replay!
